Capabilities Community Clubs Suspending Services as of End of Day 3-20-20

With a heavy heart and for the safety of all, we are suspending services **for Day Habilitation services only** at Capabilities at the end of day Friday, March 20, 2020 with hopes to return April 6, 2020. This is our best estimate of when we will be able to begin operations again. The Department of Developmental Disabilities (DODD), who we are certified under, is soon to issue requirements to close temporarily. In order to give you time to plan, we are issuing our closure notice now. Our staff are being asked to either take voluntary unpaid time off, voluntary temporary lay off, or be reassigned to work on our employment side which is planning to continue to support people as long as we possibly can. Please keep them in your thoughts as they also go through this difficult time for them and their families. We all have to sacrifice.

Thank you for your understanding and patience. We will provide updates via email, phone and Facebook as soon as they are available.

We are privileged to serve.

Capabilities Community Club Staff
